

# POWERMAX TENSION

## ELECTRIC/MOTORIZED TAB-TENSIONED SCREEN

The **PowerMax Tension** by EPV Screens® is a sleek, electric roll-up projection screen. The masking borders and integrated tension tabs ensure astonishing picture contrast, while the black backing adds an extra layer to prevent light leakage, making the PowerMax Tension an exceptional surface for a variety of video applications

MODEL	DIAGONAL	ASPECT RATIO	VIEW HEIGHT	VIEW WIDTH	MATERIAL	GAIN	CASE COLOR	DROP LENGTH
