

TWILIGHT MANUAL SERIES

NON-ELECTRIC OUTDOOR PROJECTION SCREEN

EPV Screens' **Twilight Manual Series** is a non-electric outdoor projection screen. It is IP65 rated against dust and water-spray penetration which is essential for outdoor environments. The retractable design mounts easily for wall and patio applications as it brings media room quality and functionality to your outdoor living spaces. Its sleek enameled weather resistant aluminum casing beautifully accessorizes your backyard, patio, pool deck, or anywhere a gathering for evening movie time is appropriate. The manual retraction system is equipped with a slow-retract mechanism (SRM) that prolongs the product's lifespan and allows the material to rise back up into its casing unassisted.
