

## TWILIGHT TENSION WIRELESS BATTERY-OPERATED OUTDOOR PROJECTOR SCREEN

The **Twilight Tension Wireless** is a retractable battery-operated outdoor projector screen for nighttime entertainment in outdoor spaces. Its tab-tension design allows the projection surface to be flat and taut for ripple-free images. It mounts easily on walls or can also be ceiling suspended. The Twilight Tension is IPX3 Rated for outdoor installation and use and includes a Radio Frequency remote control for long distance operation.

MODEL	DIAGONAL	ASPECT RATIO	VIEW HEIGHT	VIEW WIDTH	MATERIAL	GAIN	TOP BORDER
EOD125HT-BAT-ISF	125"	16:9	61.0 in	109.0 in	ChromaWhite	1.25	15.7 in

### FEATURES & BENEFITS

- ChromaWhite 1.25 Gain flexible matte white front projection surface with wide diffusion uniformity
- Wide viewing angle allows watching from any seating position
- Standard black masking borders on all sides enhances visual contrast and absorbs projector overshoot
- Black backing eliminates light penetration for enhanced brightness and color saturation
- Compatible with Full HD, Ultra HD (4K/8K) and Active 3D projectors.
- Compatible with Ultra-Short, Short-Throw and Standard "long" Throw Projectors.
- ISF Certified for accurate color reproduction
- IPX3 Rated for protection against water spray less than 60 degrees from vertical.

### DESIGN & INSTALLATION

- Designed for outdoor use without sacrificing the home cinema experience.
- Dynamic indoor home theater quality with the durability of an outdoor product.
- Heavy-duty steel case in a white finish includes end caps for wall or suspended ceiling installation.
- Radio Frequency remote for long range operation without line of sight required.
- Built-in rechargeable Li-on battery eliminates need to plug screen into a power outlet.
- Battery charge can last up to 200 cycles on a single charge.
- Tubular motor allows swift operation with a superior weight tolerance and long product lifespan
- Standard 5-year premium warranty
